AVANT-PROPOS

L'*Index de noms* vient en appui aux quatre Rapports susmentionnés de la Conférence Nationale Souveraine de la RD Congo (1990-1992), textes écrits en **Français** (livre bleu) et traduits dans les quatre langues nationales : **Ciluba** (livre rouge), **Kikongo** (livre marron), **Lingala** (livre vert) et **Swahili** (livre jaune).

Elaboré en un volume unique, l'*Index de noms* regroupe quatre séries d'items tirés desdits rapports :

- AVDH I : Rapport sur les Assassinats et Violations des Droits de l'Homme / 1960-65
- AVDH II : Rapport sur les Assassinats et Violations des Droits de l'Homme / 1965-92
- BMA : Rapport sur les Biens Mal Acquis
- BM Annexes : nnexes au Rapport sur les Biens Mal Acquis

Il s'offre pour servir indistinctement ces 05 versions de textes peaufinées et uniformisées.

A quelques pages près, l'*Index de noms* permet de localiser l'item recherché dans l'un ou l'autre ouvrage de la même série.

L'*Index de noms* s'active pour être parmi les livres qui permettent la relecture de l'histoire de la République Démocratique du Congo, pour les besoins de la postérité, textes que des politiciens opportunistes et véreux s'efforcent d'enfouir dans la fosse commune de l'inconnu de mortels.

Pourtant, devant la tempête de l'histoire, un fruit - mûr ou pas mûr -tombe toujours¹.

Puisse l'*Index de noms* servir utilement !
